Petaling Jaya, Selangor, Malaysia
Jan 2021 - Dec 2024

Bachelor of Automotive Engineering

University of Applied Sciences Esslingen
Esslingen am Neckar, Germany
Sep 2017 - Aug 2020

LANGUAGES

English

Malay

German

PROJECTS

- Hospital Appointment Management System**
Tech stack: MERN Stack
- Employee Details Website**
Tech stack: Angular, TypeScript, JSON
- Pharmacy Inventory**
Tech stack: Java, XML
- Vehicle Price Predictor**
Tech stack: Python, Scikit-learn, Pandas
- Vehicle Dynamics Simulation**
Tech stack: MATLAB, Simulink

TECHNICAL (IT) SKILLS

Programming Languages

Javascript, Java, PHP, Python, Scala, Typescript

Web Development

HTML, XML, CSS, React.js, Angular

Database Management

MySQL, MongoDB

Machine Learning Frameworks

Scikit-learn, TensorFlow, PyTorch

Data Analysis & Visualisation

Pandas, Numpy, Matplotlib

Tools

Git/Github, Postman, Visual Paradigm

SOFT SKILLS

Verbal and Written Communication

Time Management

Teamwork

Critical Thinking

Leadership

ORGANIZATIONS

- Johor Student Leaders Council Alumni (JSLCA)
- AFS Intercultural Programs Malaysia

INTERESTS

Programming

Artificial Intelligence

Web Development

Machine Learning
